### organizational competence

- ... diagnose the health of project management in your organization
- ... identify strengths and weakness
- ... create an action plan to improve the capability of your project team
- ... an objective assessment using the Project Management Institute's recently introduces Operational Management Maturity Model (OPM3™)

### objective assessment

- ... how well is project management integrated into your environment?
- ... how do you measure against your competition?
- ... is project management a strategy for higher quality and greater customer satisfaction?
- ... does project management support strategic objectives?
- ... is there a homogenous approach to project management in your organization?
- ... is change really needed?
- ... do you know your competitive strengths and weaknesses?
- ... is it time to advance to the next stage of maturity?
- ... how effective have your efforts been?

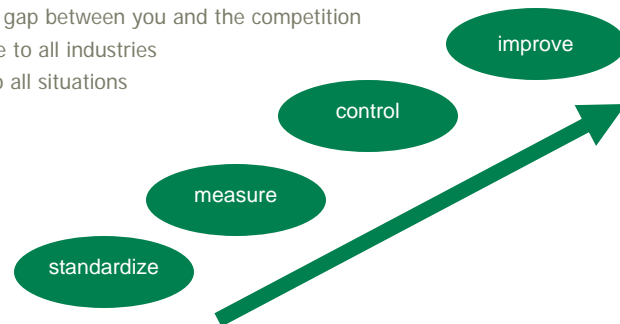

### expand the capability of the project manager

- ... OPM3™ expands project management into the areas of program and portfolio management

### lower project cost

- ... an objective analysis that tells you what's needed for dramatic and permanent improvement
- ... close the gap between you and the competition
- ... applicable to all industries
- ... applies to all situations

### Why pmMaturity?

- ⇒ we are driven toward improving project performance
- ⇒ we reject the belief that all projects will be late, cost too much, and won't deliver what's expected
- ⇒ our staff is certified by the Project Management Institute (PMI)
- ⇒ our products and services were developed and refined in the real-world
- ⇒ we are based in Christian principles and will treat you as we wish ourselves to be treated
