a unique set of service and product offerings

- ... designed to help you improve your project performance significantly and permanently
 - ... why do as many as 70% of projects fail in some respect?
 - ... why is client satisfaction with project delivery at a low point in many organizations?
 - ... why do projects
 - ... cost too much?
 - ... take too long to deliver?
 - ... don't live up to expectations?

studies show you will

- ... reduce project overruns by 50%
- ... exceed your delivery goals by 25%
- ... increase team efficiency and improve employee morale

experience permanent reductions in project cost and schedule delays and improvement in project deliverables

- ... **projectAudIT**[®] examines the processes you have used to plan and perform a project and recommends better ways
- ... where process is lacking, we have developed a best-practice based methodology to give your staff the **toolkit** needed for consistent success
- ... when staff competence is the issue, we can deliver training and **education** to ensure your staff know what to do and how best to do it
- ... your staff may have the process and training needed but the organization is be the constraint to successful performance
- ... develop a **Project/Program Management Office** to supply needed organizational support
- ... expand traditional project management from a single project into the areas of **Program and Portfolio Management** where "best-practice" has just recently been developed and codified
- ... **maturity model** audits develop the organization's capabilities for sustained and lasting improvements

why pmMaturity?

- ⇒ we are driven toward improving project performance
- ⇒ we reject the belief that all projects will be late, cost too much, and won't deliver what's expected
- ⇒ our staff is certified by the Project Management Institute (PMI)
- ⇒ our products and services were developed and refined in the real-world
- ⇒ we are based in Christian principles and will treat you as we wish ourselves to be treated
